SITE CONTACTS:

Site Contacts

- Property Name, Site Contact & Site Contact Information will be provided. In this same section, you will see the Net Promoter Score contact and NPS information.

- Net Promoter Score:

Net promoter score is a widely used market research metric that typically takes the form of a single survey question asking respondents to rate the likelihood that they would recommend a company, product, or service to a friend or colleague.

Location

The last section provided in Project Details is Location. Here you will find the Site Address, City, State, and Zip. -- And sometimes Geolocation.

PROJECT TABS:

Lists

- To the right of the Project Page you will find a Project Team Tab. Here the Primary Project Manager, Estimator, and Account Executive on your team is listed.

- Next, you will see the Status Reports for your Project.

- Then you will see the Files that were uploaded during either the Upcoming, In Progress, or Completed stages.
